

This week's photo challenge Send in a photo of yourself doing something that interests you. That could be anything!

This week's video challenge is not really a shout out, it's a prayer. Send in a video saying, "Dear God, please..." and add your own prayer into it. Maybe it will be about something you need help with, maybe it will be a prayer for someone who is sick, maybe it will be for something you are really hoping for. The bible tells us to ask God!

Post your videos and photos to the Ignite Kids Facebook page, FB Messenger or email them to simona@devonportcoc.com.au. We need them by the end of each TUESDAY to get into the following weekly Mashup.

How to - Fishing

This week, Dominic talks about fishing and how you have to be patient and just keep trying when you want to catch a fish.

Here are some interesting fishy facts:

- Most fish can't swim backwards.
- Starfish and jellyfish are not actually fish.
- Sharks are the only fish that have eyelids.
- Some of Jesus' disciples were fishermen. Jesus told them if they followed him, they would catch people instead of fish!

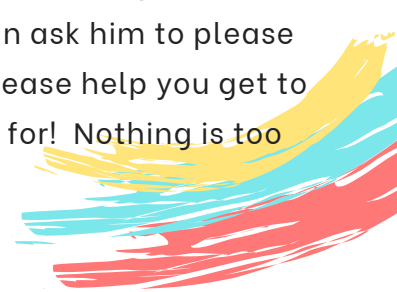

How to - Prayer

This week we also learnt about Hannah from the bible, from 1 Samuel 1. Hannah REALLY wanted a family for a long time, so she prayed about it. Even though she had to wait, God answered her prayer and she ended up having 6 kids!

Here are some interesting prayer facts:

- God LOVES it when we talk with him.
- The bible tells us to ask and keep on asking!
- Nothing is too big or too small to ask God for.
- God doesn't always say yes when we ask him for things. But even if he says no, he still loves us very much.

Parent connect Look at Activity 1 on your child's prayer poster together. You can ask God to please take of someone you love. You can ask him to please bless every member of the family. You can ask him to please help you get to know him more. There are so many things you could ask for! Nothing is too big or too small to ask God about.
